Up in New York State.
Rev. Edw. F. Mellott of Whips Cove, who recently accepted the pastorate of a Christian church at Schultsville, N. Y., writes under date of July 16th as follows:
'Dear Editor:—Find enclosed the wherewith necessary for the despatching of the NEWS to my door weekly. I am located in the village of Schultsville, 22 miles northeast of Poughkeepsie, 4 miles west of Stanfordsville, 12 miles from the Connecticut line, and 16 miles from the Massachusetts line. I am in the county of Dutchess, and Kingston lies but a few miles to the northwest.
'The country here is beautiful. Crops look fine. Hay harvest has just commenced; grain, quite green. Large herds of registered cattle are quite in evidence—mostly Holstein and Guernsey. There are some well-bred horses, but in most cases there is lots of room for improvement.
'I find the people here very industrious with up-to-date homes and they possess a spirit of sociability much above the average. They have a beautiful church edifice, a large hall furnished with 250 chairs and the parsonage is located in a beautiful grove on the outskirts of the village, in which we are located for the year—Providence permitting.'
Dog Tax \$2.00 and \$4.00.
The Lohr house bill, providing regulations for the licensing of all dogs in the country districts was approved by Governor Brumbaugh. The measure establishes license of \$2 and \$4 for rural communities and provides that all dogs that are liable to attack sheep must be locked up at night. Municipalities have authority to license dogs under existing laws. The bill was urged by legislators from protection of the sheep raising industry.

The total estimate for the United States, excluding Alaska, Hawaii and Porto Rico, is, 103,849,684, and with the territories named is 105,366,056.
